

Purpose

The Miss America Organization, with its state and local affiliates, is the number one resource in the world for women to receive educational scholarships. In 2008, the Miss America Scholarship Organization made available over \$40 million dollars to 12,000 women.

The Miss Greater Richmond Scholarship Program is a non-profit scholarship program whose purpose is awarding scholarships to deserving young women ages 17 to 24 years old and providing a forum for their community service. The program includes two additional scholarship competitions for Outstanding Teen (ages 13-17), and Outstanding Preteen (ages 10-12).

Mission

To provide unique opportunities for young American women to win scholarship awards as a resource to achieve their educational goals;

To create and maintain a system of competition which enhances career opportunities and to produce role models representing positive wholesome American values;

To encourage the spirit of volunteerism, promote goodwill, and civic and economic benefits throughout Miss Virginia's local and state network.
