MGR Committee with our newly crowned Miss Virginia, Caitlin Uze!

Dear Friends of Miss Greater Richmond!

I am honored to be the Executive Director for the Miss Greater Richmond Scholarship Program and to have the opportunity to work with such fantastic young ladies. The success of the young women who have held the title is truly amazing. Over the past eight years, we have awarded over \$48,000 in scholarships to our Miss contestants. We strongly believe in providing opportunities so that young women can grow into their personal best. From scholarship funds and community service work to public speaking venues; we aim for you to have a positive and rewarding experience. We feel fortunate to have the community support and resources in which to make that happen. Our hard working committee has a wealth of experience in this arena and they look forward to working with all of you.

Browse our website for information regarding upcoming special events and fundraisers as well as our girls' appearances. Please email me at the pageant email address if you have any questions or concerns. I will be happy to answer them.
