

## **Our Purpose**

The Miss Greater Richmond Scholarship Program is a non-profit scholarship program whose purpose is awarding scholarships to deserving young women ages 17 to 24 years old and providing a forum for their community service. The program includes two additional scholarship competitions for Outstanding Teen (ages 13-17), and Outstanding Preteen (ages 9-12) Greater Richmond. The Little Miss (ages 5-8) division winner is awarded a savings bond and spends her year making community service appearances throughout the Greater Richmond area.

The Miss Greater Richmond Scholarship Program is a nonprofit affiliate of the Miss Virginia and Miss America Scholarship Organizations. The Miss America Organization, with its state and local affiliates, is the number one resource in the world for women to receive educational scholarships. In 2009, the Miss America Scholarship Organization made available over \$45 million dollars to 12,000 women.
